Puppy Questionnaire

Thank you for inquiring about a puppy. When we have puppies available we try to ensure that our puppies are only placed to loving committed homes, and we do our best through this questionnaire, and other means to ensure a good match between prospective owners, and our puppies. We use your answers to these questions to help us get to know you a little, and understand what you are looking for in a puppy. There are no right or wrong answers! If you are interested in a puppy from an upcoming litter we would love for you to complete this questionnaire.

Our puppies are raised in the house with us, and our three young children. So they are very well socialized with children.

All puppies go home with first shots, up-to-date on dewormings, microchipped, and vet checked. All puppies come with a general health guarantee, and also a genetic health guarantee. Puppies cannot leave until 8 weeks of age. They will have last vet check a few days before going home.

We also send home a large puppy pack full info, toys, and some food.

Puppy price is \$2,000.00

We take a \$300.00 non-refundable deposit (which will be deducted from the purchase price) to hold puppy until they are ready to go home.

We have people who want to be on the list without a deposit, and that is fine, but if we get a deposit it moves them down the list. If we did not have a puppy for you, your deposit would be refunded, or moved to another litter, and/or puppy - whichever you decide.

Please tell us anything else you would like us to know about why you are looking for an Australian Shepherd puppy, and why you think they would fit into your household.

We would like to thank you for taking the time to fill out this questionnaire.

The idea behind these questions is that knowing the puppies temperament from day one we may see different things in them than you would, as a stranger attempting to pick one. In this way we may be better able to guide you toward a puppy which realistically suits your experience, needs, and goals. We look forward to helping you find the perfect lifelong companion for your family.
